From the Management Desk

Dear Supporters,

This year has gone by incredibly fast for us here at FOARA. As we look back at 2019, we are proud of the positive impact we have had on those we have served and the joy and comfort we have been able to bring. As we had our ups this year, we also had our share of downs. With that we step back and use those experiences as lessons learned and as a stepping stone to generate new ideas and approaches for the upcoming year. The work we do may not be the easiest, but seeing the smiles we bring to those we work with makes it all worth it and we cherish it deeply.

We cannot express our gratitude and thanks towards our partners enough. Everything we do would not be possible without your support, you are part of our team. You have partnered with us to make a difference in the lives of many underprivileged people. We hope you continue with us on our journey to touch people's lives in the coming year!

Faithfully Yours,

Dr Joyce Koshy
(Director-FOARA)
