From the Director's Desk

Dear Partners,

Together we are facing a truly unprecedented situation. The global coronavirus pandemic is affecting millions of families, businesses, communities, and our way of life. During this time, I wanted to reach out and update you on how we're approaching the situation at Foara.

During this time, we are distributing food kits through our Food For The Hungry program which supports communities in Kerala, Chennai, Bangalore and Kolkata. We were able to support children from some very poor financial backgrounds helping make their schooling possible through our Rising Star Program. Through the Arms of Mercy program we were able to distribute several COVID 19 personal protective items.

We have an amazing team of staff and volunteers working faithfully to make a difference. This moment reminds us that we are all connected like never before. We're called upon to be our best selves, with patience, understanding and compassion.

Thank you to all our donors for your continued support. As we go forward, we'll be sure to keep you updated, and know that we always value your comments, ideas and feedback.

Thank you!

Dr. Joyce Koshy
